**BABY BALLERINA CERTIFIED**

Happy New Year!!!!!!

We are excited to see everyone back in the studio starting Monday January 3, 2022. We hope your 2022 brings peace, joy, and abundance. As we began our 2nd half of the program it is time for our annual Colors of Summer recital preparation. We will have a virtual show this year to take the pre-cautions of COVID. For studio classes, wearing a mask is a must. We will not allow anyone to enter without one, as we try to keep all of our students safe.

Virtual Recital...How does it work? Students will film at a specified date(June 24th or 25th) and time. Tickets will be purchased to watch the show from anywhere geographically in July. All parents/family and friends will need to purchase a ticket to see the show. Remember no one is allowed in the theatre as we film only teachers, tech and film crew.

The costume due date is **March 1, 2022**. For our new families, please try on a sample leotard located in the left restroom at your leisure. Once you are ready to place your order, please go to the **"Order Costume"** on the [RECITALS PAGE-CLICK HERE](#)

Recital Film Location: Buckman Performing Arts Center; See Address on Recitals Page. Class Film Times have not been determined yet.

January will be our last month for placing orders for the **Ballet Cardigans**. Place an order on the Recitals Page. [CLICK HERE](#) For additional dance attire we will only be placing orders once a month (Preferably at the end) Please ensure to get them in as soon as you can.

Studio Closed Monday January 17th, in observance of MLK Holiday.

## Calendar, Events, Studio Newsletter

The calendar and recitals page has the most important information.

For Studio Close Dates, please see the calendar. If its not on the calendar, we are OPEN.

Demonstrations: This is part of the program year where parents are invited in class or via ZOOM

Events: As we update the events schedule, please keep a look out.

Text Message Reminders: We will send text reminders as a courtesy, but ask that everyone keep an eye out on the calendar page. As dates are added, we will add them to the calendar.
